

30th June 2009

Dear George Smith,

### **City Briefing 18**

Those who attended Lyndsay Neilson's discussion of city governance and management in April were very well served.

Our next speaker will be long-time lawyer and planner, **John Mant**, whose subject is nothing less than

#### **"The Tragedy of Planning in New South Wales"**

John Mant has been giving planning advice to governments in most States of Australia for many years and he has first-hand experience of the public service. His chosen title is therefore both revealing and challenging.

This **Briefing** will be held as usual at the Sydney Mechanics' School of Arts, 280 Pitt Street, between Park and Bathurst, on **Wednesday 22nd July** at 5pm. It will be in the **Norman Selfe** room on the 5th level. I look forward to seeing you there.

Bob Solomon  
**Chairman**
